

ADVANCED CONTROL CABLE SYSTEMS

WORKSHOP CABLES • ACCESSORIES • GREAT VALUE

At Unex, we pride ourselves in designing and manufacturing the best advanced cable system in the world. Our extensive knowledge of the hose & cable industries and our commitment to R&D, testing and design excellence insure our customers superb products at competitive pricing.

In addition, our innovative use of hi-tech materials, experimental design, braiding and assembly techniques enable us to provide our clients the opportunity to use products that can't be found anywhere else on the planet.

DISC ROTORS

WINDCUTTER

- TWT #** BR310 - 160mm
